Gators' Craddock finishes third at VT Elite

Posted On: Sunday, Feb. 7 2010 05:35 AM

Former Killeen High and Richard Milburn track star Omar Craddock finished third in the Men's triple jump at the Virginia Tech Elite meet Saturday.

Craddock, who now competes for the University of Florida, missed on his first two attempts and then slowly got stronger on the next four going from 51-0 3/4 to 51-6 3/4 and then finally recording a 51-9 mark on his final jump. Craddock, a freshman, finished behind Gator teammate Christian Taylor and Alphonso Jordan of Georgia Tech.

Craddock and the third-ranked Florida indoor track and field team compete next at the Washington Invitational in Seattle on Feb. 12-13.
